LET THE GOOD TIMES ROLL!

Who says you have to travel to Las Vegas to enjoy a little glitz, glamour and good times? This November, American House communities are bringing some of that casino-night spirit closer to home for a very special Family Night.

Whether you're trying your luck at a game, cheering on a friendly competition, enjoying music or simply catching up with friends and family, the evening is all about having fun together. Some communities may roll the dice, spin the wheel or play a few familiar games, while others put their own unique spin on the theme.

And, of course, every great casino night deserves a little sparkle. Think festive décor, music, prizes and plenty of opportunities to dress up and get into the spirit of the evening. The best part? You don't need to be a high roller to have a great time. At American House, everyone's invited to join in, enjoy the company and let the good times roll!

THE POWER OF A GOOD STORY

At American House, we know every person has a story worth telling. Stories connect us to one another. They help us understand where we come from, what shaped us and what matters most. A favorite childhood memory, a lesson learned the hard way, a family tradition or even a funny moment from years ago can reveal something special about the person sharing it. And telling stories isn't the only way to connect.

Listening matters, too. Taking the time to hear someone else's story can open the door to conversation, create understanding and remind us that every life is filled with experiences worth remembering. We believe stories are part of what makes our communities so special. They bring generations together, spark friendships and help us discover the things we have in common.

So, what's a story you'd love to tell? Better yet, who haven't you told it too? Sometimes, a good story is more than a memory. It's a way of bringing people together.

A LIFE OF SERVICE, STRENGTH AND OPTIMISM

For Ron Webb, service has been a lifelong commitment. After studying education at Indiana University and teaching school, he entered the U.S. Air Force through ROTC in 1960. During his 25-year career, he served as a pilot, flying F-4 Phantoms in Vietnam.

In June 1967, Ron was captured after a midair collision and spent nearly six years as a prisoner of war in Hanoi, including 18 months in solitary confinement. Through it all, he says he maintained an optimistic outlook. In March 1973, he finally returned home, where his wife, young daughter and extended family welcomed him back in Washington, D.C.

Ron went on to serve for another 20 years before retiring as a colonel. He and his wife eventually settled in Florida, where they have enjoyed retirement. Today, Ron has been part of the American House Bluewater Bay community for more than eight years. A former residents association president, he enjoys bridge, bingo and social activities. Most of all, Ron treasures being close to his family, including his daughter, granddaughter and two great-grandchildren.

HONORING THE STORIES OF THOSE WHO SERVED

This Veterans Day, we're especially grateful for the veterans who are part of our American House communities, families and teams. Each has a story of service, sacrifice, courage and commitment—and each story is worth remembering. On Wednesday, November 11, we honor all who have worn our nation's uniform, thank them for the freedoms they helped protect and celebrate the experiences and memories they continue to share with those around them.

LIVING WELL IS BEING WELL.
